SEASONAL BROCHURE 2019

Dear Residents,

Recreation activities and programs are part of the foundation of our community and allow residents to meet and spend time together in a fun, safe environment. This year the Recreation Staff have committed themselves to improving existing recreation offerings to our residents while looking for new programs for all ages.

We also realize how important it is to keep our park facilities in excellent condition for the safety of our residents in our parks. The lighting enhancement at Scolpino Park is one such initiative the Town has accomplished to achieve this goal.

Once again we would like to thank the long list of volunteers that devote so many long hours and energy assisting the Recreation Department. We are truly fortunate to have so many wonderful community-minded residents willing to lend a hand.

The Southeast Senior Citizens continue to enjoy the exercise/craft sessions offered every Wednesday at the newly renovated Lakeview Manor during the months of September through May. These sessions are a great way for Seniors to socialize and make new friends.

We hope you will review our 2019 Recreation Brochure and find it helpful and informative when making your future plans for the entire year. Our Recreation Staff is always willing to assist you with questions as well as entertain suggestions to improve or expand our offerings.

Please feel free to call the Recreation Office at (845) 279-3915.
